

Setting up direct deposit with TDECU is as easy as:

Option 1 : Ask your company or employer if they have a direct deposit form. If they do, use your TDECU account information to complete it and submit back to your company or employer.

Option 2: If they don't have a direct deposit form, complete the below form and submit it to your company or employer.

The amount of time it takes for direct deposit to go into effect can vary, so be sure to contact your company or employer if you have any questions regarding the timing of your initial direct deposit. In the meantime, your company or employer will continue providing paper checks to you, which you can conveniently deposit to your account using TDECU's mobile app.
